Donggyu Jeon

Email: djeon93@iu.edu | Website: https://jeon-donggyu.github.io

EDUCATION

Indiana University - Kelley School of Business **Aug 2021–Present**
Ph.D. Candidate, Operations Management and Decision Sciences *Bloomington, IN, USA*
- Committee: George Ball (co-chair), Owen Wu (co-chair), Gilvan Souza, Christopher Chen, Andrew Butters

Seoul National University **Feb 2021**
M.S., Operations Management *Seoul, South Korea*
- Advisor: Michael Lim

Inha University **Feb 2019**
B.S., Logistics & Industrial Engineering (Top in graduating class) *Incheon, South Korea*

RESEARCH INTERESTS

Topics: Socially Responsible Operations, People-centric Operations, Operational Safety/Quality, Supply Chains

Methods: Econometrics, Data-driven Empirical Analysis, Business and Textual Analytics, Machine Learning

RESEARCH PAPERS

Publications:

1. Jeon, D., Ball, G. P., & Souza, G. C. (2026). Safety Defects and Fuel Efficiency in the Automotive Industry. ***Production and Operations Management***. Forthcoming.
   - Finalist, POMS College of Sustainable Operations Best Student Paper Competition 2023.
   - Winner, POMS College of Sustainable Operations Early-Stage Doctoral Student Award 2023.
2. Jeon, D., Lim, M. K., Peng, Z., & Rong, Y. (2021). Got Organic Milk? Joint Inventory Model with Supply Uncertainties and Partial Substitution. ***Operations Research Letters***, 49(5), 663-670.

Working Papers:

3. From Worker Engagement with Energy Management Systems to Energy Efficiency. with Awaysheh, A., Chen, C. J., & Wu, O. Q. Under first round review at ***Manufacturing & Service Operations Management***.
   - Presented at the 2025 Early-Career Sustainable Operations Management Workshop.
4. Operational Workload and Safety Risk: Evidence from Industrial Equipment Use in Material Handling Operations. with Lima, M. F., Wright, Z. A., & KC, D. S. To be submitted to ***Management Science***.

Work in Progress:

5. One Size Does Not Fit All: The Design and Effectiveness of Pre-Task Safety Checklists. with Safaei, N., Lima, M. F., & Linderman, K. *Empirical analysis in progress.*
6. Regulatory De-escalation and Plant Quality: Textual Evidence from FDA Establishment Inspection Reports. with Wright, Z. A., Ball, G. P., & Gray, J. V. *Data analysis in progress.*
7. Top-Down and Bottom-Up: Executive Composition, Employee Voice, and Product Quality. with Ball, G. P., Wu, O. Q., & Souza, G. C. *Empirical analysis in progress.*

PRESENTATIONS

Operational Workload and Safety Risk: Evidence from Industrial Equipment Use in Material Handling Operations

- POMS Annual Conference, Reno, USA, 2026

From Worker Engagement with Energy Management Systems to Energy Efficiency

- INFORMS Annual Meeting, San Francisco, USA, 2026 (Expected)
- POMS Annual Conference, Reno, USA, 2026

- INFORMS Annual Meeting, Atlanta, USA, 2025
- POMS Annual Conference, Atlanta, USA, 2025
- Early-Career Sustainable Operations Management Workshop, Boulder, USA, 2025
- INFORMS Annual Meeting, Seattle, USA, 2024

Top-Down and Bottom-Up: Executive Composition, Employee Voice, and Product Quality

- INFORMS Annual Meeting, Seattle, USA, 2024
- POMS Annual Conference, Minneapolis, USA, 2024

Safety Defects and Fuel Efficiency in the Automotive Industry

- INFORMS Annual Meeting, Phoenix, USA, 2023
- POMS Annual Conference, Orlando, USA, 2023
- INFORMS Annual Meeting, Indianapolis, USA, 2022
- POMS Annual Conference (Virtual), 2022

Got Organic Milk? Joint Inventory Model with Supply Uncertainties and Partial Substitution

- POMS Annual Conference (Virtual), 2021
- KOPOMS (Korea Production and Operations Management Society) Conference (Virtual), 2021
- KIIE (Korean Institute of Industrial Engineers) Conference, Jeju Island, South Korea, 2021

TEACHING EXPERIENCE

Instructor

Foundations of Business Information Systems and Decision Making (UG): Full-time Instructor	**Fall 2026**
Technology and Business Analysis (UG): Full-time Instructor	**Fall 2025**
Technology and Business Analysis (UG): Full-time Instructor	**Spring 2025**
Foundations in Optimization (MS/PhD): Instructor, Python/Gurobi session	**Spring 2020**

Teaching Assistant

Production-Inventory Systems (MS)	**Spring 2020**
Management Science (UG)	**Fall 2019**
Operations Management (UG)	**Spring 2019**

AWARDS AND HONORS

Robert J. Waller Doctoral Fellowship ($10,000), Kelley School of Business, Indiana University	**Sep 2026**
Ashok and Sarita Soni Fellowship ($5,000), Kelley School of Business, Indiana University	**2021–2026**
Waller Fellowship, Kelley School of Business, Indiana University	**Oct 2024**
Finalist, POMS College of Sustainable Operations Best Student Paper Competition 2023	**May 2023**
Winner, POMS College of Sustainable Operations Early-Stage Doctoral Student Award 2023	**May 2023**
Winner, Best Paper Award 2021, KOPOMS (Spring Conference)	**June 2021**
Business School Scholarship, Seoul National University	**2019–2021**
Honor Student Scholarship, Inha University	**2016–2019**
Dean's List (Academic Excellence: 1/77), Inha University	**Feb 2019**
Engineering Design Competition, Top 5% (Engineering Award), Inha University	**Nov 2018**
Global Logistics Scholarship, Ministry of Land, Infrastructure and Transport, South Korea	**2016–2017**

ADDITIONAL SERVICE, EXPERIENCE, AND CREDENTIALS

Professional Service

Session Chair, Sustainable Operations Track, POMS Annual Conference, Orlando, USA, 2027	**Apr 2027**
Session Chair, Operational Excellence Track, POMS Annual Conference, Orlando, USA, 2027	**Apr 2027**

Additional Experience

Military Service – Sergeant, Republic of Korea National Police, South Korea **2014–2016**

Winter Intern, Jungseok Research Institute of International Logistics and Trade, South Korea **2017–2018**

Certifications

Certified in Production and Inventory Management (CPIM), APICS, USA **Aug 2017**

Expert Logistician Certificate, Ministry of Land, Infrastructure and Transport, South Korea **Dec 2017**

Computational Skills

Programming: Python, R

Statistics: Stata, SPSS

Optimization: Gurobi, CPLEX, XPRESS-MP

Other: PyCharm, Jupyter, MATLAB, Mathematica, LaTeX
